Monday, January 10th, 7:30 PM at the Clubhouse

At the November 1st board meeting, just prior to the election of the 3 new trustees, the old board pushed through the **\$228 a year* fee increase**, in closed session, without it being on the agenda, and with no chance of input from attending homeowners!

The 2005 budget will be revisited at the Monday, Jan. 10th meeting of the Board of Trustees, and hopefully the fee increase will be reduced or eliminated entirely.

THIS IS YOUR CHANCE TO BE HEARD!

The Board of Trustees is *solely responsible* for the administration, maintenance, and welfare of this community, through its decisions, and through the service providers it hires. Feedback and input from you is essential to the governing process. Your involvement, if only for a half hour at the public portion of the board meeting, is extremely valuable and does have an impact, despite what it may seem.

You are also strongly encouraged to submit your suggestions, questions, and comments, both positive and negative, to the board via e-mail at:

theboard@societyhillpiscataway.com

And keep up to date on issues by periodically checking the Association's WEB site:

THANK YOU!

Dear Society Hill at Piscataway Homeowner,

The 2004 Annual Election took place on November 1st. The results were:

✓ Sharon Graham	197 votes
✓ Kevin Wine	173 votes
✓ Atif Nazir	161 votes
Joanne O'Beirne	80 votes
Kapil Shah	54 votes
Martin Gibson	25 votes
Jack Sarhage	18 votes

The three winning candidates would like to thank the owners who supported them, and reassure them of their pledge for open government and reduced fees. From the vote totals, it is clear that many owners share similar concerns.

Sincerely,

Owners and Board Members Concerned Over Fees
